

## General Catering Information

Scenic Route Bakery would LOVE to host your next private event! We host all kinds of events ranging from rehearsal dinners and wedding receptions to corporate business meetings and open houses.

The space is available for rent Monday through Saturday any time after 5:00 p.m. The rental fee is \$150/hour. We close the space to the public at least one hour prior to your event so we can ensure that the space reflects both our commitment to uniformity and individuality for your specific needs. Because of this, we require that hour(s) of labor be included when calculating the fee for your event. For example, if your event begins at 6:00 p.m., SRB will close AT LEAST at 5:00 p.m. to ready the space, so your rental would start at 5:00 p.m. We require a deposit to hold the space for you. The deposit is the equivalent of the room rental for your event and is required at least 3 months before the event date. Refunds are available in full if cancellation is requested 1 month prior to the event; 50% if within the month of the event.

SRB offers a wide array of food options for your event. SRB also has a variety of Tugboat coffee, Rishi tea and seasonal beer/wine available for beverage selections. You can expect almost everything to be prepared in-house, from scratch.

We require final food orders to be placed the FRIDAY THE WEEK BEFORE YOUR EVENT to ensure we can prepare everything from scratch. As a guideline: for light offering of hors d'oeuvres, we recommend 1.5 pieces per person when ordering food. For a heavier offering of food, we recommend 3 pieces per person.

There is a minimum of \$750 for a private event, and that includes the rental fee.

We do not allow any outside food or drink unless special permission is granted.

The espresso machine is not available for private events.

The patio is not available for private events.

Decorations, linens, etc are not provided by SRB and we have limited capacity for additional decor in the space or configuration of tables outside of our regular setup.

**\*\*Savory options from our private event catering menu are only available for in-house events.\*\***

Below is our current beverage information and appetizer/dessert menu. We can accommodate a vast array of both finger and finer foods, so the sky's the limit – don't hesitate to let us know how our food can really add flavor to your event!
